### REPORT

#### Hillside Elementary

Erin Shadick, Principal at Hillside Elementary School, will share how Hillside supports personalization through building bridges. All students and staff completed a personalized sunshine to start the year to build bridges. Throughout the year each teacher tracks personal information regarding each student to help ensure they have someone that “truly knows them.”

#### Woodbury Elementary School

Connha Classon, Principal at Woodbury Elementary School, will share how Woodbury Elementary School staff incorporates character education programs to build relationships and community within the classroom. Through these programs, we aim to build leaders and responsible citizens throughout the school, while at the same time connecting students with staff to promote positive student-student and student-teacher relationships.
