REPORT

Formal Guidelines are necessary to ensure the school system responds to its mission and operates in an effective, efficient and consistent manner. Attached are the eight policies that are considered Minnesota School Boards Association (MSBA) "Non Substantive Changes"; these changes reflect updates to the legal and cross references (including changes in statute numbers and/or names, new statutes, rules, or cases), changes to the notes within the policies, and very minor corrections. The substance of the policy language is not affected.

Board Policy Committee members Sharon Van Leer, Heather Hirsch, and Michelle Witte reviewed the policies and made recommendations for board information and subsequent action. Current policies are located online. After the first reading of these eight policies, Administration would seek approval at the April 25, 2019 Board meeting.
