## How Long Does It Take?

That depends... Candidates are allotted approximately seven hours to take it, but you will not complete the test in one day. We urge people to plan on taking one content area test per day. The breakdown of the testing schedule is as follows:

### I. Reasoning Through Language Arts

- Section 1:** question; tests all content (35 mins.)
- Section 2:** Extended response question (45 mins.)
- Break: (10 mins.)
- Section 3:** questions; tests all content (60 mins)

### II. Mathematical Reasoning

- Section 1:** 46 questions (115 minutes)

### III. Science

- Section 1:** 34 questions (90 mins)

### IV. Social Studies

- Section 1:** 34 questions (65 mins.)
- Section 2:** 1 extended response question (25 mins)
